PROFILE

I am currently in my third year of studying. Individually, I am a hardworking and ambitious one with a great passion for my faculty. I am always up to learning new things and value opportunities in order to grow and further improve my skills.

EXPERIENCE

BEU ICT Scientific Research Center | Member

01/02/21 - present

I participated in the Boostcamp 4.0 project as a member. Here senior students were mentoring us for 1 week in different fields of IT.

"Azerpost" MMC | Innovative Volunteer

12/08/22 - 12/09/22

My main job here was to ensure customer satisfaction, write inquiries, and direct customers to the appropriate service departments.

Google Developer Students Club BEU | Team member

08/10/22 - present

I am a member of GDSC, here at predetermined times, people working in various fields of IT are invited, and programming lessons/challenges. interesting trainings are held for students' improvement.

BEU ICT Scientific Research Center | Oracle SQL Mentor

01/02/23 - 08/02/23

During one week, I was one of the mentors of the BoostCamp 6.0 program, and I was teaching Oracle SQL to the students.

Software QA Engineer Trainee at ABB Innovation

10/05/23 - present

I've been chosen for the Technest scholarship program in "QA - Automation course in ABB Tech Academy.
